Director of Training

Weekly Summary Report

25X1

4. The Director of Training has been advised by representatives of the DD/A that the regulation on Basic Intelligence Training has received the concurrence of the DD/I, but the DD/P does not concur since he wishes to retain the right to determine what personnel of the DD/P complex will take the Basic Intelligence Course, and objects to the automatic entry of new personnel into the course. The regulation is presently being revised to meet the objections of the DD/P but will not change in any way those portions of the regulation applicable to the DD/I.

5. New intensive language classes sponsored by the Air Force at Georgetown University Institute of Languages and Linguistics were announced in a recent memorandum on the Spring Language Program. These languages include: Iraqi-Arabic, Hindi, Urdu, Finnish and Swedish. To date, no interest has been shown by any Office in the Agency in these programs.
